COMPANY PROFILE

PRASANNA EXCAVATION & CIVIL CONSTRUCTIONS LLP is a newly established entity incorporated in 2025 with the vision to carry forward a legacy of excellence in excavation, civil construction, and infrastructure development. Founded by professionals with deep roots in the construction and earthmoving industry, the LLP is set to bring innovation, discipline, and quality to the forefront of its operations.

The LLP is spearheaded by:

*Mr. Vanga Surender Reddy, a seasoned veteran from Ashwini Earth Movers, who has been the backbone behind extensive drilling, blasting, and excavation operations across India. With over two decades of hands-on experience, Mr. Surender Reddy has played a pivotal role in executing key infrastructure projects in association with giants like L&T, NCC, and IVRCL.

Mr. Laxmi Narasimha Reddy (LN Reddy), a B.Tech graduate with international exposure and a strong lineage in construction business. Having returned from abroad with a fresh perspective and technical insight, LNM Reddy is now leading PRASANNA LLP as a new-age entrepreneur.

FOUNDATION & LEGACY

Mr. Vanga Surender Reddy's practical exposure at **Sri Ashwini Earth Movers (AEM)**, one of the region's leading excavation firms, equipped him with the operational and managerial skills essential for large-scale civil works. At AEM, he was actively involved in:

- Coordinating major blasting and excavation assignments at Hi-Tech City, Gachibowli, and Shamshabad Airport.
- Learning executional best practices from marquee projects for clients like Reliance, Lodha, Raheja IT Park, and Oracle.
- Managing logistics and compliance for high-risk operations involving controlled blasting, explosives licensing, and safety regulations.

These learning's have now been channeled into PRASANNA LLP, where Mr. Reddy aims to integrate advanced equipment, project planning, and customer-oriented service.

VISION

To become a trusted partner in India's infrastructure growth by offering reliable, safe, and economical excavation and civil construction services.
